

RIGHT THERE

I can find the answer in the text.
I can point at it and
write it down.

THINK AND SEARCH

The answer is in the text, but
not in one place, I must look
at different text parts /
elements and combine the
information.
I must use
my own words.

AUTHOR / TEXT AND ME

The answer is not given in the
text. Part of the answer is in the
text / graphic, but I must
add to it what I
already know
about the topic.

ON MY OWN

I can find the answer from my
own knowledge and
experience.
